If you pass the test, you have two years to schedule an appointment with the DMV. The New York permit test comprises 20 questions. Out of these, you have to pass at least 14 questions. If you fail your permit exam, you can retake it as many times until you nail it. The DMV doesn't give a limit to how many times you can retake the exam. The best thing about this is that you won't have to pay another application fee. However, if you fail the test more than 3 times, you'll wait another 6 months before you try again. In Conclusion The New York online learners permit test cheat sheet was introduced to improve the DMV licensing services. It is available for passenger vehicle drivers and motorcycle riders. The DMV encourages people to review the drivers manually and practice well before taking their permit test. When ready, that's when they can log into the DMV to complete the test. Details on the application procedure are available on the DMV website.
